

# Westlaw Australia

## Spotlight on Newsroom

### Course Description

This webinar shows how to carry out media searches using Newsroom.

### Learning Outcomes

At the end of this webinar you will be able to:

- use Newsroom to monitor print and broadcast media coverage of your own organisation, competitors or clients,
- create Newsroom alerts on Australian and international specialist media on a variety of topics,
- use a range of search techniques and tips to efficiently manage personal or organisational current awareness.

### Duration

Approximately 30 minutes (0.5 CPD Point)

### Delivery Methods

Online via Microsoft Teams. Note: The webinar allows participants to view the trainer's computer screen. At no time does the trainer access your computer.

### Support Materials

Online help and support materials available at <https://support.thomsonreuters.com.au/product/new-westlaw-australia>

### Training Specialist

This session will be facilitated by Mark Norman who has over 20 years' experience as a legal librarian and trainer in the UK and Australia. He has worked in a variety of fields including higher education and research, government departments, media organisations and the legal industry.
