

# Westlaw Australia

## Westlaw for Barristers

### Course Description

This course shows you how to carry out key research tasks using Westlaw Australia to improve your work efficiency.

### In this webinar we will cover the following:

- Case law research
  - Find cases by citation, party name and download court-ready versions of law reports
- Commentary research
  - Browse the table of contents and indexes for commentaries and The Laws of Australia
- Legislation research
  - Find a current version of legislation in force
  - Find cases or secondary materials that cite a provision
- Research management
  - Adding your own online annotations (notes and highlights) e.g., case
  - Using folders to manage research documents with your notes
  - Setting up a practice-area based Alert 24 current awareness alert
